TINY TOTS TENNIS
Parent/Child Pre-School Lesson Program

Tennis is a lifetime sport, so here's a chance to get an earlier start. This class is designed to introduce tennis to pre-school children (ages 3-5 as of March 8, 2011). Participants will develop motor skills, hand-to-eye coordination, and basic tennis fundamentals by participating in movement drills, games, and lessons. Classes are taught by a USPTA certified tennis pro because your child deserves the best. You, the parent, are needed to assist your child during class.

Equipment: Children should wear tennis shoes and be comfortably dressed. We will have tennis racquets available during the lesson.
