SUBJECT: Times and Check –In information

The pairings are set for the 2010 Grand Am Basketball Tournament in Grand Forks, ND, March 19-21. Your start time is listed under Grand Am start Times at this web site! We will not post brackets! Sites will be given out at check-in!

Here's what you need to know to get started:

Your site will be given to you at check-in. Parking will be available in the North West corner by the "Betty".

Report to the west door of the Betty Sioux center, located on the West side of the Ralph Engelstad Arena, on the University of North Dakota campus for team registration at least one hour before the start of your first game. You'll receive your tournament packet and player's passes at that time. You will need passes to get into the gyms. Earliest check in is Noon-Friday.

NOTE: Individual players may not pick up passes. The captain, or team representative, picks up all passes at the time of check in.

If you lose your pass, you are expected to pay for a weekend pass! You will not be allowed to get into gyms without a pass!

Policy of Ralph Engelstad arena states that players and fans may not bring food and beverage into their facility.

Some facilities may or may not have locker rooms available. Please be prepared for either case!

All-tournament teams and MVPs will be selected and awarded for each adult division at the conclusion of the championship games on Sunday. Trophies will be given for first and second place in each division. Consolation trophies may apply in some divisions.

This tournament is sponsored by Center Court Fitness Club, which is owned and operated by the Grand Forks Park District, Grand Forks Public Schools and the CVB of Grand Forks (Convention & Visitor's Bureau)

Once again we are thrilled to be your hosts for this tournament. Our goal is to give everybody a chance to play a lot of basketball and have fun. **All teams are asked to show sportsmanship throughout the tournament.**
